2.6 Administrative Requirements

Following are general administrative requirements that apply to all C2 GPS contractors.

Nature of Agreement. C2 GPS contractors secured from this Request are considered to be independent contractors as defined in the Governor's Uniform Grant and Contract Management Standards (UGCMS) and in the Texas Workforce Commission's Financial Manual for Grants and Contracts and Florida DEO requirements and Nevada Procurement Policies. C2 GPS may refer to the agreement between itself and the contractor/vendor as a contract; although it will be understood all federal or state requirements applicable to contractors/vendors will apply to C2 GPS contractors.

General Rule. C2 GPS contractors must comply with cost principles and administrative requirements set out in the federal Uniform Guidance Regulation (Super Circular) 2 CFR Part 200, 2 CFR Part 225, 2 CFR Part 230, and 48 CFR Chapter 1, Part 31, as supplemented by the final rules promulgated by the Texas Office of the Governor under the Uniform Grants and Contract Management Standards (UGCMS) and the Texas Workforce Commission's Financial Manual for Grants and Contracts.

1. Records and records retention. Records Retention is governed by funder policy which may differ from location to location. In general, records must be retained for 3 (three) years from the date the contractor submits to the awarding agency its single or last audit report for that period. Two exceptions exist:
 - a. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.
 - b. If an awarding agency has made special arrangements for a Contractor to transfer to the awarding agency any records that are continuously needed for joint use (to avoid duplicate recordkeeping), the three-year requirement is not applicable to the Contractor.
2. General reporting. The selected vendor must provide such reports as are reasonable and requested by C2 GPS authorized management.
3. Organizational capacity. Vendors must demonstrate that they have the organizational capacity to provide services in accordance with the requirements in this Request for Proposals. C2 GPS reserves the right to conduct a pre-award survey of each vendor approved from this Request in order to determine the capacity of the vendor's organization to provide services, meet administrative requirements, and maintain an adequate financial system. C2 GPS also reserves the right to deny a contract to any vendor approved for funding which does not make timely changes required by C2 GPS or the funding source, as a result of a pre-award survey, to bring its systems into compliance.

2.7 Bidder Debriefing

C2 Global Professional Services, LLC (C2 GPS) is the responsible and only authority for handling protests regarding the procurement and bid selection process. The purpose of a Debriefing is to promote the exchange of information between a bidder and C2 GPS staff pertaining to the proposal process and the bid evaluation system. The goal of a Debriefing is to assist a bidder in

improving the quality of future bids. C2 GPS will not host a Debriefing with a bidder who has engaged in the Hearing process described below.

A Debriefing shall include an informal exchange of information pertaining to C2 GPS' proposal process and bid evaluation system and shall serve as an educational function for bidders.

Step 1: Bidders who desire a Debriefing must submit a written request within ten (10) calendar days of receipt of C2 GPS' notification of the procurement decision. 2.8 Appeal/Hearing Request

An Appeal occurs when an unsuccessful bidder believes that they were treated unfairly in the bid proposal and award process and that they, rather than the organization(s) selected for the award, deserve the procurement contract. C2 GPS will not grant a Hearing to a bidder who has engaged in the Debriefing process described above.

Step 1: If a bidder wishes to appeal the decision of C2 GPS regarding their bid proposal, the complainant bidder must submit to the CEO, a written Request for a Hearing within ten (10) calendar days of receipt of C2 GPS' notification of the procurement decision. C2 GPS shall acknowledge receipt of the request for a Hearing in writing within five (5) working days of receipt, along with the date and time of the scheduled Hearing. P.O. Box 92377
Austin, Texas 78709

Telefax, facsimile and e-mail notices will NOT be accepted.

- A description of any alleged acts or omissions by C2 GPS that form the basis for the protest (this must include the specific concerns and the specific grounds for the protest).
- Any written information the bidder believes is relevant to the protest.
- The remedy sought by the bidder.

Step 3: Upon written request, C2 GPS staff shall make available to the bidder all requested documents not exempted from disclosure under state or federal law. C2 GPS will provide copies of these documents upon payment of the standard fees for record duplication.

Step 4: A Hearing shall be scheduled at a C2 GPS Office, at a mutually agreed time and date but no later than twenty (20) calendar days from the date the request for a Hearing is received by C2 GPS.

Step 5: The CEO or his/her designee shall act as the Hearing Officer. The CEO shall also appoint a Committee of C2 GPS staff to serve as the Hearings Committee. Such committee shall consist of the Hearing Officer and either two (2) or four (4) additional committee members.

Step 6: The Hearings Committee shall meet with the protesting party to discuss the specific concerns and the specific grounds for the protest identified in the Request for a Hearing (see Step 2(c) above). Only those issues presented in the Request for a Hearing will be addressed at the Hearing. The Hearings Committee shall evaluate the appropriate actions which should be taken while abiding by C2 GPS funding rules and regulations and which are consistent with the C2 GPS' procurement policies.

Step 7: A determination will be made within ten (10) business days from the date of the Hearing. Should the Hearings Committee determination result in a different outcome for the bidder, such recommendation shall be presented to C2 GPS for consideration and possible action within five business days. However, C2 GPS is NOT obligated to accept the Hearings Committee determination and/or recommendations.

If the Hearing Committee's determination does not result in a different outcome to the bidder, such information need not be presented to C2 GPS and the bidder shall be informed in writing by the Hearings Officer of the Hearing outcome.
