Question 1: Will multiple vendors be awarded?

Answer 1: C2 GPS reserves the right to award multiple contracts

Question 2: Will you accept a proposal for a hands-on STEM program that includes all materials and lessons?

Answer 2: All proposals submitted will be evaluated using the criteria found in the RFP.

Question 3: Is it a requirement to provide staff and a location to run the camp?

Answer 3: Proposals will be evaluated based on the Criteria found in the RFP, vendors should describe the proposed program.

Question 4: Can the RFP due date be extended?

Answer 4: The RFP has been amended to extend the due date and submission process

Question 5: Can public universities respond to this RFP?

Answer 5: Yes, public universities may respond

Question 6: The RFP says that Workforce Solutions will supply the students. Would that prevent us from recruiting ourselves?

Answer 6: Reference RFP page 3 – Placement in the program will require the participant to meet the TANF/SNAP definition of “low income” (families are receiving TANF and/or SNAP benefits or other types of benefits) to be determined eligible. Recruited participants can be referred to the program for eligibility determination.

Question 7: Can you post the RFP in Word?

Answer 7: Yes, it is posted in Word

Question 8: The RFP states 30 students, is that a required number, 20 students would work best for staff?

Answer 8: The students will range in age between 10 – 18, proposers should describe their program and any minimum or maximum cohort requirement or proposed ages of students to be served.
