2.6 Administrative Requirements

Following are general administrative requirements that apply to all C2 GPS contractors.

Nature of Agreement. C2 GPS contractors secured from this Request are considered to be independent contractors as defined in the Governor's Uniform Grant and Contract Management Standards (UGCMS) and in the Texas Workforce Commission's Financial Manual for Grants and Contracts and Florida DEO requirements and Nevada Procurement Policies. C2 GPS may refer to the agreement between itself and the contractor/vendor as a contract; although it will be understood all federal or state requirements applicable to contractors/vendors will apply to C2 GPS contractors.

General Rule. C2 GPS contractors must comply with cost principles and administrative requirements set out in the federal Uniform Guidance Regulation (Super Circular) 2 CFR Part 200, 2 CFR Part 225, 2 CFR Part 230, and 48 CFR Chapter 1, Part 31, as supplemented by the final rules promulgated by the Texas Office of the Governor under the Uniform Grants and Contract Management Standards (UGCMS) and the Texas Workforce Commission's Financial Manual for Grants and Contracts.

1. Records and records retention. Records Retention is governed by funder policy which may differ from location to location. In general, records must be retained for 3 (three) years from the date the contractor submits to the awarding agency its single or last audit report for that period. Two exceptions exist:
 - a. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three-year period, the records must be retained until completion of the action and

resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

- b. If an awarding agency has made special arrangements for a Contractor to transfer to the awarding agency any records that are continuously needed for joint use (to avoid duplicate recordkeeping), the three-year requirement is not applicable to the Contractor.
2. General reporting. The selected vendor must provide such reports as are reasonable and requested by C2 GPS authorized management.
3. Organizational capacity. Proposers must demonstrate that they have the organizational capacity to provide services in accordance with the requirements in this RFQ. C2 GPS reserves the right to conduct a pre-award survey of each proposer approved from this Request in order to determine the capacity of the proposer's organization to provide services, meet administrative requirements, and maintain an adequate financial system. C2 GPS also reserves the right to deny a contract to any proposer approved for funding which does not make timely changes required by C2 GPS or the funding source, as a result of a pre-award survey, to bring its systems into compliance.

2.7 Bidder Debriefing

C2 Global Professional Services, LLC (C2 GPS) is the responsible and only authority for handling protests regarding the procurement and bid selection process. C2 GPS will not grant a Hearing to a bidder who has engaged in the Debriefing process described above.

Step 1: If a bidder wishes to appeal the decision of C2 GPS regarding their bid proposal, the complainant bidder must submit to the CEO, a written Request for a Hearing within ten (10) calendar days of receipt of C2 GPS’ notification of the procurement decision. Step 3: Upon written request, C2 GPS staff shall make available to the bidder all requested documents not exempted from disclosure under state or federal law. C2 GPS will provide copies of these documents upon payment of the standard fees for record duplication.

Step 4: A Hearing shall be scheduled at a C2 GPS Office, at a mutually agreed time and date but no later than twenty (20) calendar days from the date the request for a Hearing is received by C2 GPS.

Step 5: The CEO or his/her designee shall act as the Hearing Officer. The CEO shall also appoint a Committee of C2 GPS staff to serve as the Hearings Committee. Such committee shall consist of the Hearing Officer and either two (2) or four (4) additional committee members.

Step 6: The Hearings Committee shall meet with the protesting party to discuss the specific concerns and the specific grounds for the protest identified in the Request for a Hearing (see Step 2(c) above). Only those issues presented in the Request for a Hearing will be addressed at the Hearing. The Hearings Committee shall evaluate the appropriate actions which should be

taken while abiding by C2 GPS funding rules and regulations and which are consistent with the C2 GPS' procurement policies.

Step 7: A determination will be made within ten (10) business days from the date of the Hearing. Should the Hearings Committee determination result in a different outcome for the bidder, such recommendation shall be presented to C2 GPS for consideration and possible action within five business days. C2 GPS staff may determine proposals incomplete and non-responsive and exclude from further consideration in the procurement evaluation process or may elect to reject all proposals and re-issue RFQ.

Once determined responsive, an evaluation team reviewing independently using a standardized instrument will be done beginning February 18 – February 25, 2025. Proposals with a total averaged score less than 70 points will be considered nonresponsive and will be disqualified from further consideration. Proposals receiving a final average score of 70 points or above will be determined responsive to continue in the procurement process.

After evaluation scores are combined and averaged, a ranking is established, and negotiations will begin with the top ranked vendors. C2 GPS reserves the right to contract with more than one vendor. **C2 GPS reserves the right to request Best and Final Offers (BAFO) from all responsive vendors.**
